**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose my ISP for both internet (DSL) and phone service, Sonic, because their service and pricing is much better than what is offered by the larger companies. I've been with Sonic for years and have always gotten excellent service. I can't say the same for the time I spent with some other ISPs.

Without the opportunity to go to provider who actually cares about customer satisfaction, without competition I'd likely be stuck with the kind of (i.e. extremely poor) service I get from my cable TV provider, Comcast. Please make lively competition a priority.
